

A NEW CITY [or]

N A P O L I

A trip to explore the porosity of the city and its substructure.  
A thick ground that has been shaped through millennia by the  
superimposition of actions undertaken by men and volcanos.

Catacombs · Pompeii · Herculaneum · Vesuvius · Capri

**16.03.2014** to **22.03.2014**
